

K-Love is one of the few radio stations that I can listen to without wondering what is going to be said next. It is an uplifting format that my entire family enjoys. The content is relevant to many citizens and provides a positive and encouraging station to listen to.

If K-LOVE were to be displaced by a LPFM broadcaster and that format was no longer available, many in my community would be without their station of choice in providing positive christian broadcasting. We don't need anymore of those other stations.

May people around the world chose Jesus as their lord and savior. I believe our community is stronger being served by a Christian broadcasting station and folks like myself can find an encouraging and positive place on our dial to hear awesome christian music.

Please keep K-LOVE on my radio. Thanks for your time.
